## Summer Event

We would like to say a huge thank you to all families, extended families and friends of Smarties who helped to make this year's summer event such an overwhelming success. We would also like to everyone who donated raffle prizes and offered their support on the day. We are incredibly proud to announce that so far a fantastic £1574.27 has been raised for our chosen charity When You Wish Upon a Star. This has smashed our original target of £1000.00 and so we have decided to increase our target to £2000.00. Well done to everyone; please keep a look out for more events for the children to come throughout the rest of this year.

Here are a few moments captured on the day by Marcus from **envy photography**.

## Good-bye

On behalf of everyone at Smarties we would like to wish a fond farewell to all of our children who are moving on to school in September for the next step of their early years journey. We have watched you all grow and develop over the years and will miss you all greatly.

We would also like to thank the families for supporting the setting throughout the journey with us by taking such an active part in all the activities and events we have undertaken in the last few years. We wish you all the very best for the future.
